# Types of Unit Tests

---

Daniel Danielecki

# Types of Unit Tests

Deep

...

Isolated

...

**Shallow**

...

	Deep	Isolated	Shallow
Speed	Slowest	Fastests	In the middle
beforeEach	...	...	...

## Comparison

...

# Demo

# Schools of Unit Tests

# London “Mockist” School

---

+Debugging+

# Detroit “Classical” School

---

**+Refactoring+**

	Deep	Isolated	Shallow
Speed	Slowest	Fastests	In the middle
beforeEach	...	...	...

## Comparison

...

**[No Demo]**

# Life at Capgemini

**Frontend**

---

**Various groups...**

# Cloud

---

**Azure certificates, AWS vouchers, ...**

# Expenses

---

Unlimited, my expenses from the system...

# Conferences

---

**Active in various conferences = easy to get a spot / become a speaker**

# Remote

---

**No pressure go to office, avg. 2 / month (me 1 / week)**

# Coaching / Speaking

---

**Lots of ways to develop that skills (me in progress)**

# Thanks

€1,000 from me if you get a job
